Shermco Industries hires Brett Lippold as account manager

DALLAS – Shermco Industries has hired Brett Lippold as account manager.

Lippold's duties include facilitating safe, efficient and reliable rotating equipment maintenance and repair services for the light, medium and heavy industrial base in Cedar Rapids, Iowa and Des Moines, Iowa, as well as the surrounding metropolitan areas.

"I'm excited to have joined Shermco Industries as an account manager since Shermco is a top notch organization, with dedicated employees throughout," Lippold said. "I am committed to providing solutions to new and existing customers and I expect to provide superior service, support and territory expansion to the upper Midwest."

A graduate of Ashford University, Lippold previously worked as an outside sales representative for Truck Country and as an Iowa sales representative for RAK Industrial Sales.

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, electrical outage planning, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 375 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
