Shermco Industries promotes Jason Greer to national sales manager

DALLAS – Shermco Industries has promoted Jason Greer from salesman to national sales manager.

Greer has been with Shermco for more than a year and a half, managing accounts in the Northwest Texas and Oklahoma territories. He will now be responsible for national account coverage for electrical disaster recovery efforts with companies that have been affected by floods, hurricanes and other natural disasters.

“Shermco does a lot of work in the area of electrical disaster recovery,” said Ron Widup, president of Shermco Industries. “Jason is the right person to grow that area of our business.”

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; Machine Services Division and an Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Tulsa and Sweetwater, Shermco Industries has over 250 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association and the International Electrical Testing Association.
