Shermco Industries provides training and sponsorships for IEEE IAS 2012 Electrical Safety Workshop

DALLAS – Shermco Industries will sponsor a lunch and a break at the IEEE IAS 2012 Electrical Safety Workshop, Jan. 30-Feb. 3, 2012 in Daytona Beach, Fla. at the Hilton Daytona Beach Oceanfront Hotel. Shermco will be sponsoring a Wednesday lunch from 12 p.m. to 1 p.m. and a Thursday break.

Additionally, Jim White, Shermco’s training director will also be speaking at the event, discussing changes to OSHA 29CFR1926.

The mission of the electrical safety workshop is to accelerate application of breakthrough improvements in human factors, technology and managing systems that reduce risk of electrical injuries, stimulate innovation in overcoming barriers and change and advance the electrical safety culture to enable sustainable improvements in prevention of electrical accidents and injuries.

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, electrical outage planning, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 400 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
