

FOR IMMEDIATE RELEASE

June 10, 2011

**Shermco Industries' Kevin Ewing appointed
2011 IEEE Power & Energy Society Austin Chapter Treasurer**

AUSTIN – Shermco Industries' Kevin Ewing, general manager of the Austin office, has been appointed 2011 IEEE Power & Energy Society Treasurer for the Austin chapter.

Ewing has been an active member for three years and served as chapter secretary in 2010. Kevin's new role as treasurer will include responsibilities such as manage the society's financial records and accounts, propose the budget to the governing body each semester and coordinate funding for events. "This is a great trade organization to be a part of, and I am happy to serve in whatever capacity I can," said Kevin Ewing, general manager of the Shermco Austin office.

The [IEEE Power & Energy Society](#) is a worldwide, non-profit association of more than 26,000 individuals engaged in the electric power energy industry. The organization's mission is to be the leading provider of scientific information on electric power and energy for the betterment of society and the preferred professional development source for those in the industry.

ABOUT SHERMCO

[Shermco Industries](#) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 375 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
