Shermco Industries' Jason Edwards promoted to machine services division customer service manager

DALLAS – Shermco Industries has promoted Jason Edwards to machine services division customer service manager from technical instructor and developer.

Edwards' new duties include serving as a liaison between the production department and customer, ensuring service is carried out efficiently and in a timely manner while managing the technical documentation of work performed.

A graduate of the University of North Texas, Edwards served 20 years as an electrician in the Navy.

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, electrical outage planning, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 375 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
