Kyle Kirkpatrick hired as Safety Engineer for Shermco Industries

DALLAS – Shermco Industries has hired Kyle Kirkpatrick as Safety Engineer.

With more than 10 years in the safety profession, Kirkpatrick, Certified Safety Professional, brings many assets and experience to Shermco. “Kyle’s duties are essential to maintaining and enhancing Shermco’s already stellar safety infrastructure”, said Ron Widup, president at Shermco Industries.

Kirkpatrick’s responsibilities will be to conduct and coordinate worker training in areas such as safety laws and regulations, hazardous condition monitoring, and use of safety equipment as well as implement procedures and policies.

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 375 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
