**Shermco Industries' Mike Moore to give three workshops at VPPPA Region VI  
2011 Annual Safety Conference**

DALLAS – Mike Moore, vice president of sales for Shermco Industries, will give three workshops at the Voluntary Protection Program Participants Association Region VI 2011 Annual Safety Conference held May 17 – 20 at the Henry B. Gonzalez Convention Center in San Antonio, Texas.

Moore will present *The Challenges of Finding and Retaining Qualified Electrical Workers* on Wednesday, May 18 from 1:45 to 2:45 pm; *Developing an Electrical Multi-employer Worksite Protection Program* on Wednesday, May 18 from 11:30 am to 12:30 pm; and *Safety Related Maintenance Practices* on Thursday, May 19 from 8:30 to 9:30 am.

“This is a well attended event with professionals from different VPP star sites that come from all over Texas, Oklahoma, Louisiana, Arkansas and New Mexico,” said Moore. “As always, there will be a lot of qualified speakers from several different industries, including petrochemical, government, commercial and industrial discussing a wide variety of topics. Also, Shermco is sponsoring the NASCAR simulator – be sure to check it out.”

**ABOUT SHERMCO**

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 375 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
