Shermco promotes Marc Burns to account manager

DALLAS – Shermco Industries has promoted Marc Burns to account manager.

A graduate of Texas A&M University and TSTC, Burns has been with Shermco Industries for the past three years. In the new position, he will be responsible for business development with electrical contractors and consulting engineering groups. Mike Moore, Shermco Engineering Services Division sales manager says Burns has the right combination of education and experience to develop new business in this industry segment.

“This position opened up and Marc had the right experience and motivation to be promoted,” said Moore. “This is an important market segment and I feel Marc will do an excellent job developing its potential.”

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating machines and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; Machine Services Division and an Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin and Tulsa, Shermco Industries has over 250 full-time employees and exceeds \$65 million in annual revenues. The company is a member in good standing with the American Wind Energy Association, European Wind Energy Association, Global Wind Energy Council, Electrical Apparatus Service Association and the International Electrical Testing Association.
