### **Shermco Industries' Justin Schmitter promoted to account manager**

DALLAS – Justin Schmitter was promoted to account manager by Shermco Industries.

Moving up from Shermco Electrical Services Division tool room technician, Schmitter's new duties include facilitating safe, efficient and reliable rotating equipment maintenance and repair services for the light, medium and heavy industrial base in north west Texas and western Oklahoma.

"I look forward to adding to Shermco's ability to help our customers maximize their asset productivity and efficiency by providing them first-class service and care," said Schmitter.

Schmitter is a graduate of the University of Texas at Austin McCombs School of Business and was a staff sergeant in the United States Marine Corps. He most recently worked as the marketing coordinator for Xtreme Xhibits by Skyline in Austin, Texas.

#### **ABOUT SHERMCO**

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, electrical outage planning, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide. Founded in 1974 in Dallas, the company is comprised of two strategic business units; the Machine Services Division and the Engineering Services Division. With a corporate location in Irving, Texas, a sales office in Brussels and service centers in Austin, Cedar Rapids, Des Moines, Houston, Sweetwater, and Tulsa, Shermco Industries has over 375 full-time employees. The company is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
