Shermco takes on major sponsorship of IEEE Electrical Safety Workshop

TORONTO – Shermco Industries has taken on a large sponsorship of the 18th annual IEEE Electrical Safety Workshop which will be held later this month at the Sheraton Centre in Toronto, Ontario.

The workshop, known as a premier forum for accelerating advancements in workplace electrical safety, will be held Jan. 24 – 28. Shermco will sponsor the lunch on Wednesday as well as four of the events break sessions.

“We are proud to be a key sponsor for this week-long industry event, because advancements in electrical safety is a primary focus of our company and it saves lives,” said Ron Widup, Shermco Industries president.

For more information on the workshop, visit <http://ewh.ieee.org/cmte/ias-esw/>.

ABOUT SHERMCO

[Shermco Industries](http://www.shermco.com) is a provider of safe, reliable testing, repair, professional training, maintenance and analysis of rotating apparatus and electrical power distribution systems and related equipment for the light, medium, and heavy industrial base nationwide.
