Shermco Invites Attendees of SMRP MaRS to Bag Prizes and a Good Time at Hospitality Event

GALVESTON, Texas – Shermco Industries invites attendees of the 9th Annual Maintenance and Reliability Symposium (MaRS) to a summer hunting and fishing-themed hospitality suite on Thursday, August 18 in the Garden Cay room of the Moody Gardens Hotel in Galveston.

The “Bag Your Limit” event will start at 5:30 p.m. and will feature chilled gulf shrimp, andouille sausage, a full bar, crab balls, stuffed jalapenos, billiards and door prizes, including a chance to win a guided hunting trip.

“We’d like to invite everyone out to our hospitality suite. There will be plenty of chances to win prizes and network within the industry,” said Stephanie Owen, corporate sales coordinator for Shermco Industries. “We will also have a booth on Thursday from 7:30 am - 5:30 pm, so please drop by and visit.”

The annual technical symposium is sponsored by the Houston Chapter of the Society of Maintenance and Reliability Professionals.

For more information on this year’s conference, visit <http://www.smrphouston.org/events.htm>.

ABOUT SHERMCO

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems. With service centers located throughout North America, certified technicians and engineers focus on servicing both scheduled and unexpected projects for large commercial, industrial and utility customers. Shermco, a leader in electrical safety and technical training, focuses on industrial electrical contracting, utility, wind turbine maintenance and disaster recovery services. Shermco Industries is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
