Shermco Industries Helps Load up Santa's Sleigh with Two Full Trailers of Toys

DALLAS – On Dec. 16, Shermco employees delivered two trailers full of toys to the WFAA Channel 8 Studio for the Santa's Helpers drive led by Channel 8's Pete Delkus.

Shermco employees contributed to the drive, starting in early November. With more than \$8,000 in cash collected, combined with new toy donations, Shermco employees' were able to donate more than \$13,000 in toys with the added help of special discounts kicked in from the Toys R Us in Allen.

"I'd like to thank everyone who came together to make this happen. Their generosity will be responsible for more smiles and happy children on Christmas morning this year. Also, I'd like to extend a special thanks to the Toys R Us in Allen for stretching our donation dollars and to Ron Widup, our CEO, for allowing and supporting this effort," said Calvin Earp, production manager at Shermco.

ABOUT SHERMCO

Shermco Industries is the leading independent provider of safe and reliable acceptance testing, commissioning, maintenance, repair and remanufacturing of electrical equipment and power distribution systems. With service centers located throughout North America, certified technicians and engineers focus on servicing both scheduled and unexpected projects for large commercial, industrial and utility customers. Shermco, a leader in electrical safety and technical training, focuses on industrial electrical contracting, utility, wind turbine maintenance and disaster recovery services. Shermco Industries is a member in good standing with the Electrical Apparatus Service Association, American Wind Energy Association, Professional Electrical Apparatus Recyclers League, and the InterNational Electrical Testing Association.
