**Shermco Industries' Kevin Alewine to Speak at 18<sup>th</sup> Annual Electric Power Expo**

IRVING, Texas – Kevin Alewine, marketing director for Shermco Industries, will be speaking at the 18th Annual Electric Power Conference and Exposition.

The conference will be held at the Morial Convention Center in New Orleans, La., April 18-21. Alewine will be speaking on managing wind turbine generator maintenance expectations. He has many years of experience in the design and application of insulation systems for the manufacture and remanufacture of electric motors and generators. Alewine is also active in the wind generation industry and is helping develop recommended practices for wind turbine maintenance for the American Wind Energy Association as the co-chair of their Operations and Maintenance Committee.

“This is a premier event for those in the power generation industry,” said Alewine. “There is always a lot of networking and great information at this forum, and let’s not forget good food (it is New Orleans). So I hope to see everyone there.”
